Stories from the History of Rome

**Stories from
the History of Rome**

Emily Beesly

Mrs. Emily Beesly, the writer of this brilliant narrative, lived in an era of nothing but fairy tales and "the stories of nursery life" for her children. Yet, she believed that when historical stories of importance were reworded into narratives fit for her children's ears, they, too could learn the Stories from the History of Rome and grow in knowledge, fascination, and wonder with the past. This is the product of that idea and desire.
